

Limitless and infinite environment design: shaping frontiers of space, technology, and materials.

From social to commercial: urban spaces, installations, conferences, exhibitions, trade shows, launches, connecting with individuals and arena crowds equally through 360-degree immersion in future worlds.

- Experiential Space Design & Installation: to alter how we perceive and assimilate space, time, and information
- Specializing in multi-screen presentations, maximizing use of space in ways that normal designers cannot
- Giving form to imagination, immersing audiences in ideas through visualization and generation of experiences
- Unlimited and site-specific design will challenge, inform, exhilarate, inspire, and entertain any audience
- Blending low/high tech through out-there thinking, sophisticated programming, intriguing materials and tech
- Curate complete experiences to transform any space, from concept to design, production, technical solutions
- Breathing life into 'what if' ideas to realize amazing experiences
- Experts in immersive cinema, they can also engage custom film productions
- Also offering the 360move, a fully-contained immersive image stand environment

*Pioneers of projection mapping as one of the art's longest-running veteran outfits
Over 15 years, they have continued to push the boundaries of any given space, altering it before our eyes*
