

BARRAGE

“TOO WOW FOR WORDS”

THE DENVER POST

BARRAGE IS BACK . . . WITH A TWIST!

INTRODUCING

BARRAGE8

Barrage 8 is a musical spectacle that will touch every one of your senses. It's impossible not to be moved by this virtuosic, high energy show which craftily reveals a wide range of musical styles. Dancing to Uptown Funk, getting off your feet to join the Conga, stomping along to 70's rock, jazz, classical, blues, Barrage originals and much more; you'll find your favorite playlist here!

The variety of musical repertoire and infectious energy of the performers will stimulate your imagination and give you an exhilarating connection to the music at an emotional level. Barrage 8 will make you feel: happy, sad, joyful, sentimental, nostalgic, amazed, impressed, speechless, energized, uplifted-to sum it up, you will feel alive!!!

The creators of Barrage have expanded their sonic palette to include the entire string instrument family. New for 2016, the stage show will incorporate Barrage's trademark style, energy and high production values into a masterful re-imagining of the string octet.

While there are plenty of ensemble numbers, Barrage 8 also features the performers as soloists, in trios and other engaging collaborations! The elaborately choreographed show includes whirling dancing set to infectious rhythms that energize audiences from start to finish.

With a track record of 3000+ performances in 27 countries over a 17 year career, Barrage has established itself as one of the pre-eminent string music performance ensembles in the world.

Don't miss the triumphant return – Barrage 8!
